Musculoskeletal
Unilateral or bilateral continuous or episodic
Temporomandibular disorders
Persistent orofacial muscle pain
Neuropathic
Unilateral continuous
Post herpetic neuralgia
Post traumatic trigeminal pain
Anesthesia dolorosa
Persistent dentoalveolar pain (Atypical odontalgia)
Referred pain
Unilateral episodic
Trigeminal neuralgia classical (type 1)
Trigeminal neuralgia symptomatic
Trigeminal neuralgia + concomitant pain (type 2)
Glossopharyngeal neuralgia
Bilateral continuous
Burning mouth syndrome
Vascular
Unilateral/ bilateral* continuous
Post stroke pain
Giant cell arteritis *
Primary headache
Bilateral episodic /continuous
Tension type headache
Medication overuse headache
Unilateral episodic
Trigeminal autonomic cephalagias
Episodic migraine *
Unilateral continuous
Chronic migraine
Mixed
Unilateral/ bilateral continuous
Persistent idiopathic facial pain
Cancer pain
