Dear Dr Lindley

MREC/99/0/78: Third International Stroke Trial: Thrombolysis for acute ischaemic stroke.

Thank you for your recent letter enclosing an amendment to the above study. The Amendments Sub-Committee of the Multi-Centre Research Ethics Committee for Scotland has reviewed the documents outlined below:

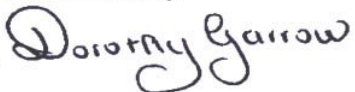

Final Approved Papers:
Covering letter dated 27th October 2003
Amendment Approval Request form
Protocol Version 1.9 dated 27th October
Report of the Data Monitoring Committee.
Randomisation Notepad
Patient treatment and Monitoring Record
6 month follow up Questionnaire
18th month follow up Questionnaire

The Sub-Committee has agreed the amendment.

This letter, together with details of the amendment submitted to the Amendments Sub-Committee, should be sent to the LRECs involved in the review of the study for information only.

Chairman Professor Kennedy Lees
Vice-Chairman Dr Geroge Masterton

Yours sincerely

DOROTHY GARROW
