

## My Thoughts on the Atrial Fibrillation Decision Aid

We would like to know what you think about the education package you have just reviewed.

- Please circle a number from 1 (poor) to 5 (excellent) to show what you think about the way the information was presented to you.

Information in the Education Package	How the Information was Presented				
	1 Poor	2 Fair	3 Good	4 Very Good	5 Excellent
Atrial Fibrillation	1	2	3	4	5
Types of Stroke	1	2	3	4	5
Risks of Stroke	1	2	3	4	5
Benefits of Medications	1	2	3	4	5
Risks of Medications	1	2	3	4	5
Stories About Others	1	2	3	4	5

- The length of presentation was (*check ✓ one box*)

too long       too short       just right

- The amount of information was (*check ✓ one box*)

too much       too little       just right

- I found the presentation (*check ✓ one box*)

slanted towards taking warfarin

slanted towards taking aspirin

slanted towards taking nothing

balanced
