

REPORT IDENTIFICATION NO.: /

A15060SCR01

SCREENING CODE:

This form will be read by an electronic scanner. Please write clearly and carefully, ensuring that no writing touches or crosses over boxes. DO NOT FOLD, STAPLE OR PERFORATE.

SCREENING QUESTIONS

No Yes

- 1. Does the report include data on maternal mortality and/or morbidity?
- 2. Does the report specify dates for data collection?
- 3. Does the report refer to data collected only before 1990?
- 4. If the report refers to data collected before 1990, and disaggregation of data by year is not possible, are data before 1980 included or is it unclear?
- 5. Is the number of study subjects less than 200?
- 6. Is the study in a case-control design?

(NOTE: If any answer falls into a circle, that study will be excluded.)

ASSESSMENT

No Yes

- 7. Excluded following initial screening (Titles/Abstracts)
- 8. Excluded following full text screening
- 9. If the answers to Questions "7" or "8" is "Yes", please indicate the reason for exclusion:
- 10. If other, specify _____

WHO CODE

Reviewer: _____

Date: _____

Signature _____

THIS FORM WILL BE READ BY AN ELECTRONIC SCANNER. PLEASE WRITE CLEARLY AND CAREFULLY, ENSURING THAT NO WRITING TOUCHES OR CROSSES OVER BOXES. DO NOT FOLD, STAPLE OR PERFORATE.

GENERAL INFORMATION

1. Country and area coding (SALB) □□□□□□□□□□

1a. Region / area _____

2. Study period

Month	Year
□□	□□

 to

Month	Year
□□	□□

CHARACTERISTICS OF THE STUDY

3. Study design
(1) Census
(2) Cross-sectional
(3) Cohort/longitudinal
(4) Controlled trial
(5) Incidence/Prevalence survey
(6) Unknown
(7) Other, specify _____ WHO CODE

4. Sampling
(1) Random sample
4a. Specify the method of randomization: _____ WHO CODE
(2) Non-random sample
4b. Specify the method of sampling: _____ WHO CODE

(3) Total population (i.e. census)
(4) Unknown

5. Data source
(1) Vital statistics/census
(2) Medical record
(3) Special survey/interview
(4) Multiple sources
(5) Clinical data collected for the study
(6) Other, specify _____ WHO CODE

6. Lowest unit of data source
(1) Cluster
6a. Number of clusters
(2) Individual
(3) Other, specify _____ WHO CODE

7. Number of eligible subjects (if available) □□□□□□□□□□

8. Sample size studied □□□□□□□□□□

9. Population studied
(1) Urban
(2) Rural
(3) Mixed
(4) Unknown

10. Description of the characteristics of the population studied (e.g. socio-economic status, ethnic group, age group, etc.) WHO CODE

REPORT IDENTIFICATION NO.:

□ □ □ □ □ / □ □

A15060MD102

CHARACTERISTICS OF THE STUDY (cont.)

11. Description of the health characteristics of the population (e.g. healthy women, women with a specific condition, etc.) □ □ □
WHO CODE

12. Is there information regarding the proportion of subjects lost to follow-up (or non-responders or those not included in the analysis)? Yes No NA
□ □ □

13. If "Yes", percentage of the study subjects lost to follow-up (or non-responders or those not included in the analysis) □ □

14. Have the characteristics of the study subjects lost to follow-up (or non-responders or those not included in the analysis) been described? Yes No NA
□ □ □

15. If "Yes", are the characteristics of the study subjects lost to follow-up (or non-responders or those not included in the analysis) different from the rest of the population? Yes No NA
□ □ □

16. Place studied □

(1) National
(2) Province/region
(3) City
(4) Medical facility
(5) Other, specify _____ □ □
WHO CODE

17. Description of the characteristics of the study setting □ □ □
WHO CODE

18. Place of delivery/abortion □

(1) Home
(2) Hospital
(3) Mixed
(4) Unknown
(5) Not applicable (i.e. only during pregnancy)
(6) Other, specify _____ □ □
WHO CODE

19. If applicable, description of intervention □ □ □
WHO CODE

20. Forms of reporting data □

(1) Crude
(2) Adjusted for confounding variables
(3) Crude and adjusted
(4) Standardised by population distribution
(5) Adjusted and standardised

21. Are there data regarding risk factors? Yes No
□ □
