🗨️ INTERVIEWER:

We are interviewing women, who delivered in the past 6 months, to get a better understanding about their preferences of place of delivery.

Your participation in the study is completely voluntary. We would also like to assure you that all information collected in the course of the study will remain confidential.

→ Ask for oral consent.

Thanks a lot for your participation. In case you have any questions, please let us know. Please ask when you have a problem understanding a question.
