

Additional File 6.

Title: Information about miRNAs selected for validation.

Description: Information of the miRNAs selected for validation, including 3p or 5p form (3' or 5'), MIMAT ID, family and sequence of the mature miRNA. "*" refers to the minor form of the miRNA, according to miRBase v.15 nomenclature.

Additional File 6. Information about miRNAs selected for validation.

miRBase v.18 name	miRBase ID	family	sequence
hsa-miR-92b-3p	MIMAT0003658	mir-25	UAUUGCACUCGUCCCGGCCUC
