Supplemental Table

Supplemental Table. Thrombotic and Cardiovascular Event Codes

| Event | ICD-9-CM Code |
|------------------------------------|--|
| Thrombotic | |
| Acute myocardial infarction | 410.xx |
| Deep vein thrombosis | 451.1, 453.x |
| Ischemic stroke | 434, 436, 437.0, 437.1, 438, 997.02 |
| Peripheral arterial thrombosis | 444.0, 444.1, 444.22, 444.81, 444.89, 445.02, 445.81 |
| Pulmonary embolism | 415.1x |
| Superficial thrombophlebitis | 451.0, 451.82 |
| Transient ischemic attack | 435 |
| Cardiovascular | |
| Acute myocardial infarction | 410.xx |
| Coronary artery bypass graft | CPT-4 codes: 33503-33545 |
| Heart failure | 425.xx, 429.2, 428.xx, 429.9 |
| Ischemic stroke | 434, 436, 437.0, 437.1, 438, 997.02 |
| Percutaneous coronary intervention | 00.66, 36.09 |
| Transient ischemic attack | 435 |
| Unstable angina | 411.1, 411.81, 411.89 |
