

Sensitivity Analysis N0 vs.N+

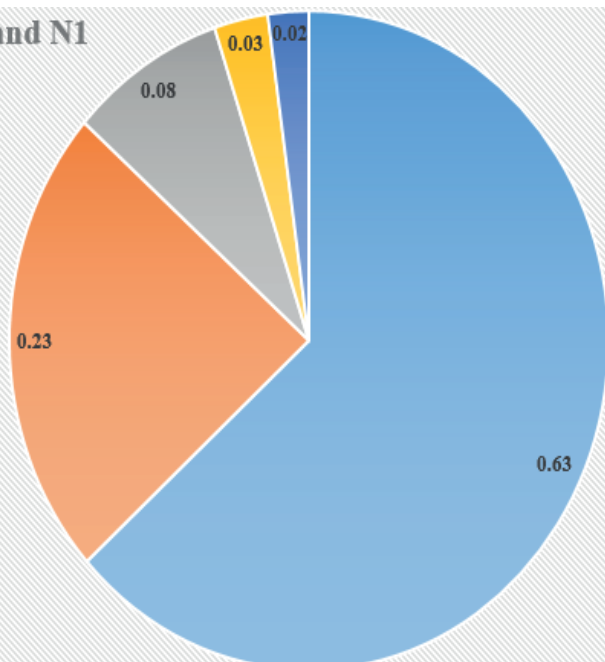

- Tumor size
- Vascular invasion
- Multifocality
- ER status
- Histological type
- PR status
- Mode of detection
- Age
- Tumor localization
- Ki67

Sensitivity Analysis N1 vs. N0

- Tumor size
- Vascular invasion
- Multifocality
- PR status
- Histological type
- ER status
- Age
- Tumor localization
- Ki67
- Menopausal status

Sensitivity Analysis N2 vs. N0 and N1

- Tumor size
- Vascular invasion
- ER status
- Histological type
- Tumor localization
