

Consent for Publication of Identifying Material in BMC Ophthalmology

I give my permission for the following material to appear in the print, online, and licensed versions of BMC Ophthalmology Journal and for the Journal to grant permission to third parties to reproduce this material.

Title or subject of article or photograph, video, or audio: Clinical and in vivo confocal microscopy characteristics of *Candida* keratitis following keratoplasty

I understand that my name will not be published but that complete anonymity cannot be guaranteed.

I have read the manuscript or a general description of what the manuscript contains and reviewed all photographs, illustrations, video, or audio files (if included) in which I am included that will be published.
