

## Money

Now, think about your money situation at the moment.

*Do you have any worries about money?*

Tick any of the problems below that best describe your current situation or add your own items:

- Not enough money for rent/bills
- Spending more on drugs compared to when I first started
- Borrowing money from family/friends
- Having trouble budgeting for all expenses, including partying
- Not working as much
- Building up debt on credit card

+ Add another item
