- 3) Do you know that there was going to be a campaign this weekend?
- 4) If yes, how did you hear about the campaign?

- 6) Have you heard that there is a new vaccine for babies 0-11 months?
- 7) Do you know what the vaccine is given for?

The survey was partially developed based on a discussion with the EPI office about what kind of information would be useful for them to have.
