BLOCK IX: SEXUAL BEHAVIOUR AND PREGNANCY

The next section of the interview deals with romantic behaviours, sexual behaviours, pregnancy and childbearing. For some people, these topics are private matters and can be embarrassing to discuss. Therefore we have created a short paper survey that you can fill out in complete privacy. I will never know what answers you give. When you are finished, I will ask you to seal you answers in an envelope and add them to this bag with lots of other people's answers. If you have any questions, however, I will be more than happy to answer them. Tick (✓) the correct answer wherever the box is given.
