

## Additional File 6 –Importance & Training needs per POE type.pdf

Mean scores on training needs and importance for subtopics, presented for ports, airports and ground-crossings separately, including p-values as a result of a one-way anova analysis. The subtopics A1 – H3 correspond with those presented in the main article.

Legend:

Color	Mean score
	<1.0
	1≤x<1.5
	1.5≤x<2
	2≤x<2.5
	2.5≤x≤3
