

The diagram consists of five nested and overlapping shapes. The outermost shape is a large oval labeled 'International Environment'. Inside it is a smaller oval labeled 'National environment'. Within the 'National environment' are three overlapping shapes: a large oval on the left labeled 'Local environment (home and social)', a smaller circle at the bottom labeled 'Individual', and a smaller oval on the right labeled 'Work environment'. The 'Local environment' overlaps with the 'Individual' circle, and the 'Individual' circle overlaps with the 'Work environment' oval.
