INTRODUCTION TO THE HOUSEHOLD TO BE INTERVIEWED

CONVEY THE FOLLOWING INFORMATION TO THE RESPONDENT

The Central Bureau of Statistics occasionally selects at random several hundred households in the country to ask them questions about how they live. The responses provided by the households help the Government of Kenya and other key stakeholders to plan for the welfare of all Kenyans.

Your household was randomly selected as one of those to which the KIHBS questions will be asked from a list of all of the households in this area.

I therefore, would like to ask you some questions as a responsible member of this household. I will also need your assistance in asking some questions to other members of your household; weighing and measuring the height of any children under age 5 years who live in your household; and obtaining measurement of your rooms. These questions will take some time to complete and therefore I would appreciate your patience. I want to assure you that under no circumstance will the information be used for any purpose other than meeting the objectives of the survey. I shall also be visting your house frequently for the next 20 days Before I start, do you have any questions or is there anything which I have said on which you would like any further clarification? Otherwise, may I proceed with interviewing you and members of your household?

First, give me the names of all the members of your immediate (nuclear) family who normally live and eat their meals together here.

WRITE DOWN NAMES, SEX, AND RELATIONSHIP TO HOUSEHOLD HEAD (B02 to B04). LIST HOUSEHOLD HEAD ON LINE 1.

Then, give me the names of any other persons related to you or other household members who normally live and eat their meals together here. FILL IN B02 to B04.

Are there any other persons not here now who normally live and eat their meals here? For example, household members studying elsewhere or traveling. FILL IN B02 to B04.

Then, give me the names of any other persons not related to you or other household members, but who normally live and eat their meals together here, such as live-in servants. FILL IN B02 to B04.

Finally, are there any other persons who slept here last night, but who do not normally live here such as visitors, persons on transit?

FILL IN B02 to B04.
