	to females.			
11)	Emergency contraceptive pills can be provided to teenage	1	2	3
	females.			
12)	Only women 40 years and above require regular pap	1	2	3
	smears.			
13)	HPV screening should be done on pregnant women only.	1	2	3

C3. ATTITUDES TOWARDS FAMILY PLANNING

How important is it to you to discuss the following with patients?

Very unimportant (1), Unimportant (2), Neutral (3), Important (4), Very important (5)

		Very	Unimportant	Neutral	Important	Very
		unimportant				Important
		(1)	(2)	(3)	(4)	(5)
1.	Termination of pregnancy and	1	2	3	4	5
	choices on TOP with:					
	a) teenage females					
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5
2.	Oral contraceptive pills with:	1	2	3	4	5
	a) teenage females					
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5
3.	Injectable contraceptives with:	1	2	3	4	5
	a) teenage females					
	b) unmarried persons	1	2	3	4	5
4.	Female condoms with:	1	2	3	4	5
	a) teenage females					
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5
5.	Intrauterine contraceptive devices	1	2	3	4	5
	with:					
	CHC Only					
	a) teenage females					
	b) unmarried persons	1	2	3	4	5

	c) married persons	1	2	3	4	5
6.	Implants with:	1	2	3	4	5
	CHC Only					
	a) teenage females					
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5
7.	Cycle beads for standard days	1	2	3	4	5
	method with:					
	a) teenage females					
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5
8.	Emergency contraceptive pills with:	1	2	3	4	5
	a) teenage females					
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5
9.	Male sterilisation with:	1	2	3	4	5
	CHC Only					
	a) teenage males					
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5
10.	Female sterilisation with:	1	2	3	4	5
	CHC & Only					
	a) teenage females					
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5

## C4. SUBJECTIVE NORMS TOWARDS FAMILY PLANNING\* these are norms among colleagues

	strongly do you agree with the owing statements?	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
1)	Most of your colleagues think that you should provide termination of pregnancy to pregnant teenage females.  CHC Only	1	2	3	4	5
2)	Most of your colleagues think that you should provide oral contraceptive pills to:  a) teenage females	1	2	3	4	5
	b) unmarried persons only	1	2	3	4	5
3)	Most of your colleagues think that you should provide injectable contraceptives to: a) teenage females	1	2	3	4	5
	b) unmarried persons only	1	2	3	4	5
4)	Most of your colleagues think that you should provide female condoms to: a) teenage females	1	2	3	4	5
	b) unmarried persons only	1	2	3	4	5
5)	Most of your colleagues think that you	1	2	3	4	5

	should provide intrauterine contraceptive device to: (CHC Only)					
	a) teenage females					
	b) unmarried persons only	1	2	3	4	5
6)	Most of your colleagues think that you should provide emergency contraceptive pills to:  a) teenage females	1	2	3	4	5
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5

## C5. SELF-EFFICACY TO PROVIDE FAMILY PLANNING

	ase indicate how confident you are to vide the following services:	Not confident at all	Not confident	Unsure	Confiden t	Very confident
1.	How confident are you that you will be able to prepare termination of pregnancy for: (CHC Only)  a) teenage females	1	2	3	4	5
	b) unmarried women	1	2	3	4	5
	c) married women	1	2	3	4	5
2.	How confident are you that you will be able to provide oral contraceptive pills to:  a) teenage females	1	2	3	4	5
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5
3.	How confident are you that you will be able to provide injectable contraceptives to:  a) teenage females	1	2	3	4	5
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5
4.	How confident are you that you will be able to provide female condoms to: a) teenage females	1	2	3	4	5
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5
5.	How confident are you that you will be able to provide intrauterine contraceptive device to: (CHC Only)  a) teenage females	1	2	3	4	5
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5
6.	How confident are you that you will be	1	2	3	4	5

	able to provide implants to: (CHC Only) a) teenage females					
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5
7.	How confident are you that you will be able to provide emergency contraceptive pills to:  a) teenage females	1	2	3	4	5
	b) unmarried persons	1	2	3	4	5
	c) married persons	1	2	3	4	5

### **C6. INTENTION TO PROVIDE FAMILY PLANNING**

prov	se indicate whether you intend to vide the following family planning vices	Definitely not	Not	Unsure	Yes	Definitely yes
1)	The next time a pregnant teenager needs termination of pregnancy, I intend to do it.  (CHC Only)	1	2	3	4	5
2)	The next time a teenage female needs oral contraceptive pills, I intend to provide them.	1	2	3	4	5
3)	The next time a married woman needs oral contraceptive pills, I intend to provide them.	1	2	3	4	5
4)	The next time an unmarried woman needs oral contraceptive pills, I intend to provide them.	1	2	3	4	5
5)	The next time a teenage female needs injectable contraceptives, I intend to provide it.	1	2	3	4	5
6)	The next time a married woman needs injectable contraceptives, I intend to provide it.	1	2	3	4	5
7)	The next time an unmarried woman needs injectable contraceptives, I intend to provide it.	1	2	3	4	5
8)	The next time a teenage female needs an intrauterine contraceptive device, I intend to provide it.  (CHC Only)	1	2	3	4	5
9)	The next time a married woman needs an intrauterine contraceptive device, I intend to provide it.  (CHC Only)	1	2	3	4	5
10)	The next time an unmarried woman needs an intrauterine contraceptive device, I intend to provide it.  (CHC Only)	1	2	3	4	5

11)	The next time a teenage female needs an implant, I intend to provide it. (CHC Only)	1	2	3	4	5
12)	The next time a married woman needs an implant, I intend to provide it. (CHC Only)	1	2	3	4	5
13)	The next time an unmarried woman needs an implant, I intend to provide it. (CHC Only)	1	2	3	4	5
14)	The next time a teenage female needs emergency contraceptive pills, I intend to provide it.	1	2	3	4	5
15)	The next time a married woman needs emergency contraceptive pills, I intend to provide it.	1	2	3	4	5
16)	The next time an unmarried woman needs emergency contraceptive pills, I intend to provide it.	1	2	3	4	5

#### D: MATERNAL AND CHILD CARE SERVICES

D1. PROVISION OF	MATERNAL	CARE SERVICES
------------------	----------	---------------

During the past month (30 days), how often did you provide the following maternal care services? Never or 0 days=1, Rarely or 1-2 days= 2, Sometimes or 3-9=3, Often 10-19 days= 4 and Very often >20 days= 5 1. Routine prenatal physical Never Rarely Sometimes Often Very often examination (height, weight, (1) (2) (4) (5) (3) BP, fetal heart sounds, size and position of the fetus) among: a) teenage females b) unmarried women 1 3 2 3 4 5 c) married women 1 2. Routine 1 2 3 5 prenatal blood screening (CBC, HepB, HIV, syphilis, diabetes) among: a) teenage females b) unmarried women 3 1 2 4 5 1 2 3 4 5 c) married women Provide iron supplements to: 2 3 3. a) Teenage females b) unmarried women 2 1 3 4 5 c) married women 1 2 3 4 5 Provide folate supplements to: 1 2 3 4 5 4. a) teenage females b) unmarried women 1 2 3 4 5 c) married women 1 2 3 4 5 5. Booster immunization for 3 diphtheria, tetanus and pertussis to: a) teenage females

	b) unmarried women	1	2	3	4	5
	c) married women	1	2	3	4	5
6.	Advice to avoid alcohol and tobacco use to: a) pregnant teenage females	1	2	3	4	5
	b) pregnant unmarried women	1	2	3	4	5
	c) pregnant married women	1	2	3	4	5
7.	Advice on good nutrition, breast-feeding and delivery options:  a) teenage females	1	2	3	4	5
	b) unmarried women					
	c) married women					

#### D2. PROVISION OF CARE DURING LABOUR

During the past month (30 days), how often did you provide the following care during labour? Never or 0 days=1, Rarely or 1-2 days= 2, Sometimes or 3-9=3, Often 10-19 days= 4 and Very often >20 days= 5

1)	Pelvic examination every 2 to 3hrs women	Never (1)	Rarely (2)	Sometimes (3)	Often (4)	Very often (5)
2)	Maternal heart rate and BP monitoring	1	2	3	4	5
3)	Fetal heart rate	1	2	3	4	5
4)	Fetal heart sounds	1	2	3	4	5
5)	Provide IV infusion	1	2	3	4	5
6)	Provide analgesics	1	2	3	4	5

#### D3. PROVISION OF NEONATAL CARE

During the past month (MONTH/ 30 days), how often did you provide the following neonatal care? Never or 0 days=1, Rarely or 1-2 days= 2, Sometimes or 3-9=3, Often 10-19 days= 4 and Very often >20 days= 5

1)	Assessed the Apgar score components at 1 and 5 minutes(colour, heart rate, reflex responses, muscle tone, respiration) on a new-born	Never (0 days)	Rarely (1 or 2 days)	Sometimes (3 to 9 days)	Often (10 to 19 days)	Very often (20 or more days)
2)	Administered preventive agents (antimicrobial agents, Vitamin K) to a new-born		2	3	4	5
3)	Measured length, weight and head circumference of the newborn	1	2	3	4	5

#### **D4. KNOWLEDGE OF MATERNAL AND CHILD HEALTH SERVICES**

The following statements are about maternal and child healthcare knowledge. Please tell me if you think the statement is true, false, or if you do not know.

		True	False	I don't know
1)	In South Africa, married women are entitled to	1	2	3
	maternal and child care services more than others.			
2)	Family planning service are a basic component of	1	2	3

	maternal and child health services.
