

Supplementary

Supplementary table. Places of Discharge (n=659).

Place of Discharge	Number of Patients (Percentage)
Rehabilitation	262 (39.8%)
Acute and transitional care	161 (24.4%)
Home (with or without help)	113 (17.1%)
Nursing home	41 (6.2%)
Acute geriatric hospital	29 (4.4%)
Curative institutions	16 (2.4%)
Others	37 (5.6%)

Note. Due to rounding percentages may not add up to 100%. Total number of patients was n=660, but for one patient information on place of discharge was not available from the medical record.
