o File format: PDF

 File title: Descriptive Statistics for Adult & Child Disease/Health Candidate Predictors (second order terms)

o File description: Long table with univariate results for second order terms

ER Visits (mean(SD))		
health adults 2017 prostate cancer count of households persons health children 2017 uninsured for	24.99	
health care count of households persons	(38.10)	
health adults 2017 kidney disease count of households persons health children 2017 uninsured for	45.38	
health care count of households persons	(70.05)	
health adults 2017 coronary count of households persons health children 2017 uninsured for health	141.69	
care count of households persons	(217.86)	
health adults 2017 emphysema count of households persons health children 2017 uninsured for health	33.59	
care count of households persons	(51.59)	
health adults 2017 last doctor visit more than six months but less than 1 year count of households	311.00	
persons health children 2017 uninsured for health care count of households persons	(514.07)	
health adults 2017 last doctor visit more than 1 year but not more than 2 years ago count of households	172.52	
persons health children 2017 uninsured for health care count of households persons	(288.08)	
health children 2017 number school days missed in past 12 months due to illness or injury aged 5 17	787.07	
none count of households persons health children 2017 uninsured for health care count of households	(1320.29)	
persons	,	
health children 2017 number school days missed in past 12 months due to illness or injury aged 5 17 6	283.41	
10 days count of households persons health children 2017 uninsured for health care count of	(473.53)	
households persons		
health children 2017 number school days missed in past 12 months due to illness or injury aged 5 17	119.82	
11 or more days count of households persons health children 2017 uninsured for health care count of	(198.80)	
households persons		
health children 2017 number school days missed in past 12 months due to illness or injury aged 5 17	3.13	
did not go to school count of households persons health children 2017 uninsured for health care count	(0.36)	
of households persons		
health children 2017 still have asthma count of households persons health children 2017 uninsured for	246.11	
health care count of households persons	(410.35)	
health children 2017 skin allergies count of households persons health children 2017 uninsured for	351.76	
health care count of households persons	(588.98)	
health children 2017 last health care professional visit more than 2 years but less than 5 years ago	27.63	
count of households persons health children 2017 uninsured for health care count of households	(45.76)	
persons		
health children 2017 delayed care due to cost count of households persons health children 2017	68.70	
uninsured for health care count of households persons	(112.69)	
Inpatient Days (mean(SD))		
health adults 2017 prostate cancer count of households persons health children 2017 uninsured for	25.21	
health care count of households persons	(38.20)
