APPENDICES

Appendix 1. Example of themes and sub-themes with their positive and negative qualification,
taken from the e-Satis verbatims of the HCL.

THEME: Catering				THEME: Perception of staff			
Sub-theme: cooking / temperature		Sub-theme: variety		Sub-theme: approachable		Sub-theme: patience	
Words and expressions included	Positive (1) or negative (2) qualification	Words and expressions included	Positive (1) or negative (2) qualification	Words and expressions included	Positive (1) or negative (2) qualification	Words and expressions included	Positive (1) or negative (2) qualification
bonne cuisson vapeur des légumes	1	manque de variété des menus	2	accessibilité du chirurgien	1	chirurgien a été patient	1
méthode de cuisson à revoir	2	nourriture n'est pas variée	2	interne très accessible	1	manque de patience cruelle	2
pates souvent trop cuites	2	repas plutôt bons et variés	1	personnels très avenants	1	secrétaires très patientes	1
viandes trop cuites et dures ()	2	3 fois des pates ()	2	équipes médicales très accessibles ()	1	une grande patience avec les patients ()	1

Appendix 2. List of the 28 general themes and 184 specific sub-themes from the HCL e-Satis

verbatims.

Theme	N°	Sub-theme	Theme	N°	Sub-theme
1. Accessibility /	1	Accessibility		93	Nursery
	2	Orientation	M - 4 : 4	94	Physiological
identification	3	Parking	Maternity	95	Post-partum
	4	Staff identification		96	Choices respected
2. Administrative	5	Patient file	15. Medical care	97	Personalised medicine
	6	Rates and payments		98	Care response to emergencies
	7	Social security		99	Dosage
	8	Furnishing		100	Medical monitoring
	9	Bathroom general condition		101	Medical follow-up
	10	Bedroom general condition		102	Medications
	11	Comfort	16. Medical	103	Postoperative follow-up
3. Bedroom and	12	Neighbour	monitoring	104	Prescription
5. Beuroom and bathroom	13	Quality of the bed		105	Protocols
Datin oom	14	Shower		106	Side effects
	15	Single or shared room		107	Staff visits
	16	Size of the room	17. Medical results	108	Reports
	17	Sleep and rest		109	Diagnostic
	18	Toilet	17. Medical results	110	Health results
	19	Washing and toilet products		111	Rehabilitation
	20	Appropriate to the patient's needs	18. Nursing care	112	Diaper
	21	Adapted quantities		113	Care procedures
	22	Appetizing		114	Dressing, bandage
4. Catering	23	Breakfast		115	Patient hygiene
/ Food service	24	Food service (general)		116	Anaesthesia
	25	Containers		117	Care before the surgery
	26	Expiry date	19. Operative	118	Postoperative
	27	Flavour		119	Recovery room
	28	Fruits, vegetables		120	Scars, stitches

	29	Mealtime		121	Operative
	30	Quality of the products		121	Acknowledgements of the patients
	31	Cooking / temperature		123	Body parts
	32	Variety	_	124	Clothing
	33	Water, drinks		125	Floor names
5. Cleanliness	34	Cleanliness of the environment		126	Generic terms for hospitalisation
	35	Cleanliness of the patient's room	20. Other sub-	127	Generic terms for institution
	36	Patient agreement	themes	128	Generic terms for patient
	37	Advice		129	Generic terms for treatment
	38	Answers provided to questions		130	Night
	39	Appointments		131	Paediatric department
