

Voucher Issuing

Programmatic factors:

- staff training
- 'screening' / eligibility criteria
- availability of vouchers
- availability of ITNs
- affordability of top-up
- commercial partners placing ITNs in clinics for direct sales

Voucher Redemption

Programmatic factors:

- stock levels of ITNs
- non-voucher sales of ITNs
- choice of brands
- choice of ITN sizes, colours

Contextual Factors

Current household ownership of nets
Competing ITN delivery strategies
Competition for limited ITNs from major urban areas of other regions
