

Households selected for surveillance
N=1036

Households selected with at least one week of
bed net ownership/use information
N=1033

Households never reporting owning a bed net
during the study period
N=405 or 39.2%
Mean (SD) follow-up weeks **22.6 (4.6)**

Households reporting owning a bed net at least
once during the study period
N=628 or 60.8%
Mean (SD) follow-up weeks **23.3 (3.2)**

Households reporting owning a bed net **at first visit**
N=488 or 77.7%
Mean (SD) follow-up weeks **23.3 (3.2)**
Mean (SD) weeks reporting bed net use **19.6 (8.5)**

Households reporting owning a bed net **after first visit**
N=140 or 22.3%
Mean (SD) follow-up weeks **23.3 (2.4)**
Mean (SD) weeks reporting bed net use **16.7 (7.7)**
