

YOUR OPINION ON QUALITY OF LIFE

There are many factors that determine quality of life. For instance, health but also social network or financial resources can influence it. All factors are not equally important for all of us; for instance, living alone can be problematic for some people but not others. In the following questions, we wish to know what is important for your quality of life, and to what extent some factors are problematic.

A. How important are the following factors to your quality of life?

VOTRE AVIS SUR LA QUALITÉ DE VIE

Les facteurs qui déterminent la qualité de vie sont nombreux. Par exemple la santé, mais aussi les liens sociaux ou les moyens financiers peuvent l'influencer. Tout n'a pas la même importance pour chacun de nous ; par exemple, être seul·e peut poser problème à certaines personnes et non à d'autres. Dans les questions qui suivent, nous souhaitons connaître ce qui est important pour votre qualité de vie, et dans quelle mesure certains facteurs posent problème.
