Information about *Medjaden Bioscience Limited*:

Medjaden is an emerging editing company that provides professional services for laboratory researchers, postgraduates, and clinical doctors. Our mission is to help our clients maximize and accelerate the production of articles from their research work, or turn their pieces of work into an article. The company employs experienced medical statisticians, writers, and editors drawn from both Chinese and English backgrounds worldwide, who strive to ensure every edited article is published in an English journal, preferably a journal that is included in The Institute for Scientific Information (ISI) Citation Database, the Science Citation Index (SCI) Expanded, Index Medicus (IM), Medline, PubMed, EMBASE/Excerpta Medica, and other scientific resources.
