MRI Medications

	Yes	No	Unknown	Brand Name	Generic Name	Dose	Route	Frequency	Duration	Comments
Beta-Blockers	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>						1 - 5 Years	
Medications										
Digoxin	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	Lanoxin	Digoxin		PO		1 - 6 Months	
Labs and Asso. Tests										
Calcium Channel Blockers	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>						> 5 Years	
Drugs and Drug Protocols										
ACE Inhibitors	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	Prinivil	Lisinopri		PO		> 5 Years	
MRI Technique										
Angiotensin Receptor Blocker	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>							
Aldosterone Receptor Blocker	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>							
Resting MRI										
Neprilysin Inhibitor/ARB	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>							
Hemo Response										
Alpha-1 Blocker	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>							
Alpha-2 Agonist	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>							
Grade Myocardial Segments										
Direct Vasodilators	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>							
Endothelin Receptor Antagonist	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>							
T1 Mapping										
Positive Inotropes	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>							
Oral Nitrates	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>						7 - 12 Months	
Pericardium and Pleura										
Other Nitroglycerin	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>							
Heart Valves										
Statins	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>							
Non-statin lipid agents	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>						1 - 6 Months	
Thoracic Aorta										
Diuretics	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>						7 - 12 Months	
Non-cardiac Findings										
ASA	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>						1 - 5 Years	
Antiplatelets	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>							
Complications										
Anticoagulants	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>							
Antiarrhythmics	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>							
Diagnostic / Therapeutic Decision										
Insulin	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>							
Hypoglycemic Agent	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>							
Other Medication	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>							Delete <input type="checkbox"/>
