

Community empowerment

		3. Ownership		4. Sustainability
		2. Involvement		
		1. Engagement		
Process	Activities carried out mainly by project staff, responding to needs of the community	<p>Project staff gradually 'retreat' as the community begins to take a more active role</p> <p>Enabling environment created through involvement of other stakeholders</p>	<p>Community develops & implements own strategies</p> <p>Formation of democratic structures & community - based organisation (CBO)</p>	<p>Broader social engagement</p> <p>Community acceptance leads to protection</p> <p>Focus on long term, sustainable intervention</p>
Examples	Establishing a drop-in centre as a 'safe space' for FSW	<p>FSW hold own formalised meetings to problem-solve</p> <p>FSW build rapport with lodge owners to increase protection from violence</p>	<p>FSW obtain legal literacy & training to handle crises on their own</p> <p>Rapid response team made up entirely of FSW; no more project staff</p>	<p>FSW establish a 'self-regulatory board' to identify & assist trafficked women & minors in SW</p> <p>Capacity building with other marginalised communities</p>
Duration	3-6 months	1-2 years	2-3 years	On-going
		FOR the community	BY the community	
		WITH the community
