

## Additional File 1

Several guideline documents on HCV treatment in Norway have been relevant in the period 2017–2019. The following sources are some of the key documents in choice of treatment (most are in Norwegian and some of these have restricted access):

Guidelines from the Norwegian association for infectious diseases, version 7 (2017):

<https://www.hepatittfag.no/pdf-hcv>

Version 8 (2019):

<https://www.legeforeningen.no/contentassets/7bdf07c45b95411aa3c66e27822da583/veiledersveilederrevi-sjon-8-1.pdf>

The treatment choice guidelines from the health authorities:
