

Stage 1: more than 40 persons = initial stakeholders

Following contact with inter-agency networks, recruit over 40 persons who match basic RESTORE requirements (x 5 research sites)

⋮

Stage 2: approx 30-40 persons = stakeholders

Approx 30-40 persons continue as Stakeholders in RESTORE case-studies (x5 research sites. They engage in PLA fieldwork processes that involve sharing and assessing the Portfolio of Guidances/Training Initiatives . They select ONE for implementation activity.

Stage 3: approx 20 persons = participants/implementers

Approx 20 persons continue in RESTORE implementation case studies in each of our 5 research sites .
