Dear Reviewers,

I would like to extend my heartfelt apologies for the oversights and errors in the submission of our manuscript. As the corresponding author, the responsibility for the accuracy and completeness of the submission ultimately rests with me, and I deeply regret the mistakes that were made. Specifically, I acknowledge that there was an unfortunate omission of the first author of this article, Ru-Huei Fu (RHF), and a significant error in the placement of another author with equal contribution, Po-Yen Wu (PYW), who was mistakenly identified as Bo-Yan Wu (BYW). These errors are entirely my responsibility, and I take full accountability for them. I wish to express my sincerest apologies to Ru-Huei Fu and Po-Yen Wu for any distress or inconvenience these errors may have caused. Both authors have made substantial contributions to this work, and their names and contributions should be accurately reflected. To rectify these issues, I am taking immediate steps to correct the order of the authors and ensure that all author names are represented correctly in the manuscript. The corrected version will accurately reflect the contributions of each author, including Ru-Huei Fu and Po-Yen Wu. I genuinely appreciate your understanding and patience as we work to address these issues promptly. Your feedback is essential to improving the quality of our research, and we are committed to delivering a revised manuscript that meets the highest standards of accuracy and integrity.

Once again, I apologize for any inconvenience these errors may have caused and appreciate your understanding in this matter.

Sincerely,
Dr. Syuan-Yu Hong (Corresponding Author)
