

**A prognostic model for predicting progression-free survival in patients with advanced non–small cell lung cancer after image-guided microwave ablation plus chemotherapy**

**ELECTRONIC SUPPLEMENTARY MATERIAL**

**eTable 1. Information of devices and medications administrated for therapy**

Devices and Medications	Company Information
Microwave Ablation Devices	
MTC-3C microwave ablation system	China Medical Devices R&D Center; Beijing, China
ECO-100A1 microwave ablation system	ECO Medical Instrument Co., Ltd; Nanjing, Jiangsu, China
KY-2450B microwave ablation system	CANYON Medical Inc.; Nanjing, Jiangsu, China
CT Devices	
Lightspeed 64 V	General Electric Co.; Boston, Massachusetts, USA
Medications	
Pemetrexed	Hansoh Pharma; Hong Kong SAR, China
Paclitaxel	Hengrui Medicine; Lianyungang, Jiangsu, China
Docetaxel	Qilu Pharma; Jinan, Shandong, China
Gemcitabine	Hansoh Pharma; Hong Kong SAR, China
Vinorelbine	Hansoh Pharma; Hong Kong SAR, China
Cisplatin	Qilu Pharma; Jinan, Shandong, China
Nedaplatin	Qilu Pharma; Jinan, Shandong, China
Carboplatin	Qilu Pharma; Jinan, Shandong, China
