

Appendix 2. REDCap Survey to Chart Results.

• First Author (Last Name et al): _____
• Year of Publication: _____
• Journal: _____
• Paper Title: _____
• Is an author affiliated with an institution in Malawi? Yes or No
○ If yes, is it the first author? Yes or No
○ Is the senior author from Malawi? Yes or No
• Reviewer 1: Include this Study? Yes or No
○ If no, reason for exclusion:
▪ No Malawian author
▪ Incorrect study focus
▪ Grey literature
▪ Other
• If other, please list: _____
• Reviewer 2: Include this Study? Yes or No
○ If no, reason for exclusion:
▪ No Malawian author
▪ Incorrect study focus
▪ Grey literature
▪ Other
• If other, please list: _____
• Study Population:
○ Surgeons
▪ If yes, select PRS Surgeons, OMF Surgeons, Both, or Surgeons (undefined)
○ Surgical Residents
▪ If yes, select PRS Residents, OMF Residents, Both, or Residents (undefined)
○ Clinical Officers
○ Medical Students
○ Surgical Patients
▪ If yes, select Pediatric, Adult, or Both
○ Other
▪ If other, please list: _____
○ Not Applicable
• Study setting:
○ District Hospital
○ Secondary Hospital
○ Tertiary Hospital
○ Community
○ Other
▪ If other, please list: _____
○ Not Applicable
• Does this study name a Hospital(s)? Yes or No
○ If yes, list hospital(s) name: _____
• Study Design:
○ Qualitative studies
○ Cross-sectional analyses
○ Questionnaires
○ Longitudinal analysis
○ Controlled trials
○ Case reports
○ Observational studies
○ Other
▪ If other, please list: _____
• Category of PRS:
○ Burns
○ Congenital anomaly
○ Trauma-related
○ Reconstruction
○ Other
▪ If other, please list: _____
• Does the study's finding include?
○ Epidemiology
▪ If yes, describe: _____

○ Provider Demographics
▪ If yes, describe: _____
○ Barriers to Care
▪ If yes, describe: _____
○ Suggested Solutions
▪ If yes, describe: _____
• Study's Funding Source:
○ No Funding
○ Not-For-Profit Sponsored
○ University-Sponsored
○ Public-Sponsored
○ Private-Sponsored
○ Not Reported in Publication
