Supplementary Table 2. Spearman's rank-order correlation between pathological proteins and infiltrating T lymphocytes in the amygdala.

Pathological protein	CD4+ lymphocytes		CD8+ lymphocytes	
	Rho	*p*	Rho	*p*
α-Synuclein	0.443	0.034*	0.352	0.108
Tau	0.420	0.046*	0.569	0.006**
Amyloid-β	0.291	0.179	0.160	0.477

Rho: Spearman's correlation coefficient. n=23, *$p<0.05$, **$p<0.01$.
