

Patient	Submission number in pathology	Location of the LN (AAO-AHNS LN level)	Specimen No.	LN size in Ultrasound (kxkd1xkd2 in mm)	Assessment based on B-scan ultrasonography (0=negative; 1=positive).	Histology (0=negative, 1=positive)	LN size in Histology (mm)	Metastasis size in Histology (mm)	cN stage (based on the subjective ultrasound findings)	pN-stage	Correspondence sonofindings vs. pathofindings 0 = yes; 1 = overestimated; 2 = underestimated.	Remarks
